Adding a bathroom

Just Got Easier

Houses are no longer just a home. They have evolved to also serve as a gym, school, entertainment source, and office.

Redesign your living space and add a bathroom anywhere with a Qwik Jon®. It has a polished, modern look that provides all of the functionality and none of the mess... a win for both your home and wallet. Redesign and update your basement, workshop, cabin, remodel, warehouse or anywhere wastewater removal is necessary.

▲ Choose an **easy install** in front of your wall

▲ Or a **discrete** installation behind the wall.

Installation Options

to suit your needs

- Choose an easy install in front of your wall or a discrete installation behind the wall
- Recessed side handles for carrying and installation
- Non-clogging vortex impeller for reliable operation
- Automatic reset protects the pump from thermal overload
- No gravity drain required
- Smooth surface for easy cleaning
- Collects used water from all fixtures including sinks, faucets, tubs, showers, and more

Complete your new system with

Quality Components

THE RIGHT BOWL

Standard toilets drain to piping in the floor. Be sure to check out our rear spigot toilet which empties into the patent pending Qwik Jon® tank to complete your installation.

ADA comfort Height Bowl

202-2000

WATER CONSERVATIVE TANK

EPA Watersense compliant tank with 1.28 gallons per flush.

202-3002

FLEXIBLE CONNECTION

Qwik Jon® Extension Kit allows pump unit to be recessed or installed behind a wall for a clean profile.

023260

QWIK ALARM™

Battery powered, high water Qwik Alarm™ for Qwik Jon® Premier. Relax knowing if the water in the Qwik Jon® Premier gets too high, the alarm will sound to notify you!
