

**Bathroom remodeling solutions that won't  
destroy your floor or your budget.**

## Adding A Bathroom Just Got Easier

Houses are no longer just a home. They have evolved to also serve as a gym, school, entertainment source, and office.

Redesign your living space and add a bathroom anywhere with a Qwik Jon®. It has a polished, modern look that provides all of the functionality and none of the mess... a win for both your home and wallet.

Redesign and update your:

- Basement
  - Workshop
  - Cabin
  - Remodel
  - Warehouse
- or anywhere wastewater removal is necessary.

## From Unfinished To Fully Furnished

Avoid living in a dusty construction zone for months when adding a new bathroom.

There is no need to spend money breaking concrete to dig when you can stay above grade with a Qwik Jon®.

## Installation Options And Benefits To Suit Your Needs

- Choose an easy install in front of your wall or a discrete installation behind the wall
- Recessed side handles for carrying and installation
- Non-clogging vortex impeller for reliable operation
- Automatic reset protects the pump from thermal overload
- No gravity drain required
- Smooth surface for easy cleaning
- Collects used water from all fixtures including sinks, faucets, tubs, showers, and more

**All Qwik Jon® Products  
are 100% Factory Tested**

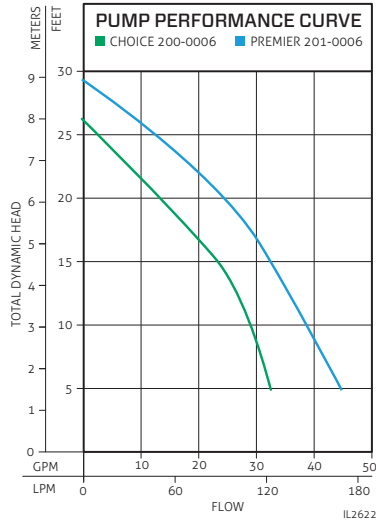

# SELECT THE MODEL THAT BEST FITS YOUR PROJECT

For behind the wall installations

## Add A Toilet To Complete Your Project

Be sure to check out our rear spigot toilet to complete your installation. The combination of 202-2000 (bowl) and 202-3002 (tank) makes an EPA WaterSense compliant toilet with 1.28 gallons per flush.
