

QWIK JON® UPFLUSH SOLUTIONS

Add a bathroom to your poolhouse, basement, workshop or cabin easily with a Qwik Jon®! This above ground plumbing technology saves you time, money, and construction by being easy to install and without breaking concrete. Want to connect a sink or shower? Connections are conveniently available via side inlets. No gravity plumbing required!

Qwik Jon Premier System
with optional Extension Kit

Products to make a bathroom
with **MINIMAL** construction

WAYS TO
BUY & SHIP

Qwik Jon Choice

200-0006

A quiet, preassembled 1/3 HP macerator system. The Qwik Jon Choice is a component in constructing a new bathroom without breaking the concrete. The QJC can handle flushables such as toilet paper and organic waste. Only water, power, and a few tools needed. Zoeller ADA compliant elongated toilet sold separately.

QJC All-In-One

200-0021

A complete **one package** system featuring the Qwik Jon Choice, Zoeller's ADA compliant elongated Toilet Bowl, and Toilet Tank. This package system ships in one box and on a skid. Buy this product at a wholesaler. You can find a wholesaler near you with Zoeller's "Where to Buy Button" online.

QJC Ship-To-Home

200-4000

A complete system featuring Zoeller's ADA compliant elongated toilet bowl, toilet tank, and Qwik Jon Choice **shipped in three separate boxes** right to your doorstep. This package is perfect for a wholesaler selling online. All you need is a few tools, power, and water!

Qwik Jon Premier

201-0006

A quiet, preassembled 1/2 HP grinder pump system. The Qwik Jon Premier is a component in constructing a new bathroom without breaking the concrete. The QJP can handle flushables such as toilet paper, organic waste, and sanitary items. Only water, power, and a few tools needed. Zoeller ADA compliant elongated toilet sold separately.
