

MODEL 106

Premium Drain Pump Series

Remove water from areas with no gravity flow

Designed for applications where gravity flow is not possible including laundry tray, wet bar sink, lavatory, air conditioning condensate, and dehumidifier. Can also be used in conjunction with dishwashers and garbage disposals.

Features:

- NOW available with the Premium Pump, Model 63. Part Number 106-0001.
- Automatic pumps with tank cord seal
- No inlet filters or screens to clean
- Corrosion-resistant polypropylene basin with tank cord seals and basin cover
- Low profile, easy installation; can be installed in base cabinet under a sink
- Trap can be installed inside basin

100% factory tested

For more information, including technical data, see FM3164 for the Drain Pump Family Sales Slick or FM2801 for the Technical Data Sheet.
