» FEATURES AND BENEFITS

- A quiet, preassembled pump and macerator system requiring minimal space for installation
- Install a complete bathroom without breaking concrete
- Easily connects to a tub, shower, sink, or other fixtures with 2" NPT or 1-1/2" (DN25) slip side inlets
- No gravity drain required
- Install as a freestanding unit
- Automatic reset thermal overload protects the pump
- Carbon/Ceramic mechanical shaft seal for long life
- Upper and lower ball bearings for efficient and quiet operation
- Non-clogging vortex impeller for reliable operation
- Recessed side handles for carrying
- Convenient snap-fit covers for easy access to macerator and electrical junction box
- Discharge elbow with built-in check valve
- Standard 6' (1.8 m) cord
- For recessed or behind-the-wall installations, use Extension Kit PN 023260
