

# Time Tested Pumps Meet Solid State Tech!

Zoeller's **FLOATLESS™** switch  
overcomes common float switch  
related issues

## FLOATLESS SWITCH

- Tested over 1 million cycles
- Continuous run prevention
- Solid state parts on switch
- Built-in secondary "on" point
- Adjustable level settings, 15' cord
- Approximately 7" differential between "on" and "off" points
- Simple installation. Just fasten switch to pipe and plug your pump into the piggyback plug!

**3 YEAR WARRANTY**

## LN SERIES PUMPS

Three industry proven all cast iron pumps are available with FLOATLESS switch technology.  
3 year warranty.
